What is your specific request?

In your opinion, how did this problem occur?	
How can our assistance help in eliminating the problem?	
Has this problem occurred in your past? When? Explain.	
What actions have you taken to eliminate the problem?	
Are you waiting on any other support? What kind? What is the status of that support?	
Do you have family or friends that might assist you? Please explain who and what type of assistance.	
What is your plan for the resolution of this problem, and how does our support fit into that resolution?	

Note: The VVA Chapter 920 offers services that are primarily resource-based in knowledge, skill and labor. Request for financial assistance is carefully reviewed and may be considered as a cooperative action with another support institute, or a one-time assistance from VVA 920, and requires additional information requested below in the finance section of this application.
